	The Manipur government has appointed a nine-year-old girl as the State's Green Ambassador, less than a week after a video of her crying for two trees axed for a road-
	widening project went viral.
	An order from H. Balkrisna Singh, Manipur's Director of Information and Public Relations, on August 7 said Valentina Devi of Kakching district had been made the brand ambassador for
	the Chief Minister's Green Manipur Mission and all official tree-plantation activities taken up in the State.
	This, the order said, was in recognition of her immense love and affection for trees and for generating mass awareness on conservation of the environment for a "period of one year
	from the date of issuing the order." A class V student of Amutombi Divine Life English School in Kakching town, about 45 km
	southeast of Manipur's capital Imphal, she had planted the saplings of two Gulmohar (royal poinciana) trees by the side of a river when she was in class I. She had been tending to the
	saplings, which grew up into healthy trees in about four years. On Saturday, the two trees, along with other vegetation, were axed for a project to widen a
	road beside the river. A videographer filmed her crying over the trees. "I saw the video of this girl crying like anything, as if someone very near to her had passed
	away. Her feeling for two felled trees, which we adults would probably not think much about, moved me. I asked Victoria, the district's Superintendent of Police to meet her, console her
	and give her at least 20 saplings to plant at a suitable place," Manipur's Chief Minister told The Hindu on Thursday.
	But he felt this was not enough. "Later, I realised there could not be a better ambassador than her for the Green Manipur
	Mission we had launched in June. Her passion for trees at such a young age was so infectious that I took a decision to have an order issued and hand it over through government
	officials to her," he said. The order says Valentina, the daughter of Premkumar Singh, will be part of all such
	advertisements and campaigns that promote an increase in Manipur's green cover. "She will be provided honorarium at government rates, transportation facilities, food and lodging
	facilities at admissible rates by the sponsoring government department," the order said.
